SPECIAL FORCES

ACHIEVE THE GREEN BERET WAY

# Improvise • Adapt • Overcome

- By using *Confidence Targets*, your team will be able to take on larger and more skilled tasks over time
- Learn the importance of *After Action Reviews*, and how eliminating the “Blame Game” can help bring work groups closer together
- “*Improvise, Adapt, Overcome*,” because creative solutions are sometimes the most successful
- *Reverse Planning* will help ensure proper strategizing and goal setting

## BIO

Chief Warrant Officer Mike Martel is a retired Special Forces Green Beret. After being trained in Unconventional Warfare for twenty years he segued into the business world as a Computer Security professional. Mike has used his Special Forces training and techniques to consult with companies, helping them reach new heights of productivity. Audiences are entertained by the rarely-seen perspective of a former Green Beret, and get valuable insights into how to overcome challenges by **Achieving the Green Beret Way**.
